

**INSTRUCTION MANUAL:**

**GLASS HOLDER FOR STEMMED GLASSES**

1. **Place** the glass holder, with the clasp being on top, on a stable surface of your choice (table, counter, floor, bed surface, couch, ...).
2. Please make sure that the **clasp opening** faces you:

5. Take the stemmed glass and **slide** its glass base through the clasp opening under the clasp until the glass reaches the end:

**Your glass is fixed now!**

**To detach the stemmed glass:** just pull it out through the clasp opening!

**WARNINGS:**

- Always detach the glass from the holder before drinking.
  - Make sure not to drop the glass holder.
- Before fixing the glass in the holder, make sure the glass base is clean of sand or other particles of dirt.
  - This product is not suitable for children.

**CLEANING INSTRUCTIONS:**

Clean the glass holder only with a soft, damp cloth, then dry it thoroughly/not dishwasher-safe.
